IN THE KNOW – EMERGENCY MANAGEMENT FOR EVERYONE

You may have noticed that Environment Canada now uses three different colours for weather alerts. Each type of alert will appear on either a yellow, orange, or red banner to show the weather event's severity.

All three indicate weather that may cause disruption to property and/or person, and should be paid attention to.

YELLOW - hazardous weather with impacts that are moderate, localized and/or short-term.

ORANGE - severe weather impacts of significant widespread damage and/or last several days.

RED - very dangerous and possibly life-threatening weather with impacts that are widespread and prolonged.

Types of Weather Alerts - Warnings, Advisories, and Watches

Each depends on severity of the weather, timing, and how quickly you should act.

Watches

- **get ready** to protect yourself from **potential** severe weather
- issued when conditions are favorable for the development of severe weather
- may be upgraded to a Warning when certainty increases

Advisories

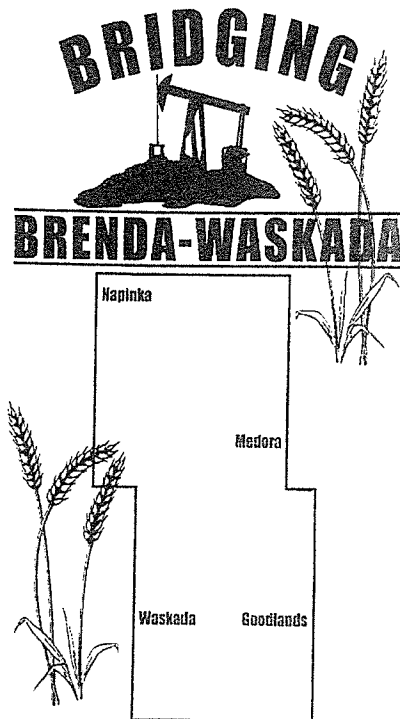

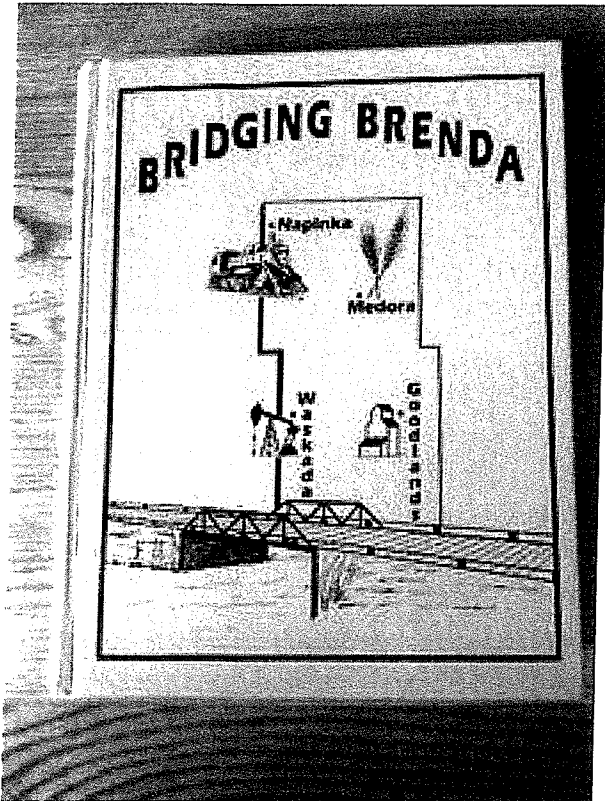

- **act now** to protect yourself from **significant** weather
- issued for specific weather events that are less severe but still significant
- issued for blowing snow, fog, freezing drizzle, and frost

Warnings

- **Act now** to protect yourself from **severe** weather
- urgent messages that severe weather is either happening or will happen
- usually issued 6 to 24 hours in advance, but can be longer
- some severe weather (for example, tornadoes) can occur rapidly, with less than 30 minutes' notice

Public Notice of 2026 Financial Plan

Pursuant to subsection 162(2) of the Municipal Act, the Council of the *MUNICIPALITY OF BRENDA-WASKADA* invites all ratepayers of the Municipality to a Public Hearing in respect of the 2026 Financial Plan, Monday, April 27th, 2026, at 7 P.M. in the Council Chambers of the *MUNICIPALITY*.

The presentation will provide an overview of the proposed financial plan followed by a forum for questions and comments from the public. The purpose of the hearing is to allow any interested person to make a representation, ask questions or register an objection. **Please register your intention to attend in advance of the public hearing.**

Copies of the proposed financial plan are available for review and may be examined by any person during the regular office hours of the Municipal Office at 33 Railway Avenue Waskada, Manitoba. Questions and remarks may also be directed by letter to our Chief Administrative Officer or through our email address at office@brendawaskada.ca

2026 GRAVEL HAULING TENDERS

Tenders will be accepted by the Municipality of Brenda-Waskada for their 2026 Graveling Programs. Tenders will be awarded for a one-year term. Pit registration fees and rehab levies to be the responsibility of the hauler or pit owner. Road graveling program to be completed no later than July 1.

Gravel programs may include gravel stockpiling and are not limited to road graveling.

Each tender shall include the following information:

- A breakdown of the price per cubic yard mile hauled; minimum haul mileage; loading charge per cubic yard; and any other charges, taxes; and a total price.
- A copy of letter of good standing with MB WCB and a copy of your COR certificate.
- A list of equipment/machinery that will be used.

The Foreman of the Municipality oversees all gravel programs. Gravel trucks must reduce speed when meeting vehicles on the road and going past farmyards. Please contact Ray Aitchison, Foreman (204 522-5131) for gravel stockpile locations and details for the gravel programs.

All gravel programs are subject to change at any time at the discretion of the Municipal Foreman.

Sealed tenders must be received by the undersigned no later than 4:00 P.M. on Friday, April 17, 2026, and marked "Gravel Tender". Lowest or any tender not necessarily accepted, and the Council reserves the right to reject any or all tenders. Further information may be obtained by contacting the undersigned.

IN HISTORY....

Charles Sankey

Over the span of his nearly 100 years he became a sailor, farmer, veterinarian, gold-panner and dedicated community worker

CHARLES SANKEY

1863—1962

Charles Sankey is undeniably one of the most colourful characters from Waskada's history. After spending his youth adventuring, he found a small prairie community to call home.

Born in Ireland in 1863, Sankey was educated by a governess until the age of twelve. His father was the manager of the Brookboro Estate, and when he died, Sankey was sent to Germany to live with his uncle. There it was decided that he would join the Merchant Marines. After training on the HMS Conway in London, his first sea voyage was to China and Australia aboard the Barque Fantasie when he was 16 years old.

He touched land for only five days before being called to join the crew of the famous clipper the Cutty Sark. Sankey embarked on a two-year long adventure, travelling all around the world. Sankey departed from his sailing career in 1882 and went to join his family in Toronto where they had emigrated from Ireland. He soon struck out west, following his brothers to Boissevain, Manitoba where they were farming. He settled on a homestead there for a few years where he raised cattle.

In 1894 he moved back to Ontario to attend the Ontario Veterinary College. He graduated with flying colours, winning the coveted Gold Medal. He began his career as a veterinarian in New York state working as an inspector for the inter-state shipment of cattle. He worked there for three years before returning to Boissevain to practice.

In 1899 he accompanied his mother on a move to California for her health. After getting her comfortably settled, he took off for a few months to pursue gold in Alaska and the Yukon. He returned to Manitoba in the fall and sought out Waskada as a place to live. He arrived there barely before the railway, walking the 28 kilometers from Deloraine along the raised grade before the tracks were laid.

It was in Waskada, after all his worldly travels and adventuring, that he found a place to call home. He married Anna Josephine Ponton from Ontario in 1903. She died giving birth to their first son. Sankey later remarried to Anna Grace McGill and together they had three children.

Charles Sankey was an intellectual with an active mind and an interest in reading and current events. His experiences abroad no doubt offered him a unique perspective to contribute to the small agricultural community of Waskada.

Sankey cared passionately about the welfare of his community and invested many decades of his life to public service. For 25 years he was the secretary-treasurer for Brenda Municipality and served for 35 years on the town council and 32 years on the school board. He was the visionary and driving force behind the Waskada Park, the creation of which brought him great pride.

I would like to say a huge thank you to all my family, neighbours, and friends for all of the cards, visits, food, and enquiries for me on my recent “medical journey” and subsequent hospital stay—in Brandon, Killarney, and finally Deloraine and home. A huge thanks to Dr.McKinnon and all the nurses and Staff at Deloraine that helped keep me comfortable and get me on my feet again! We are so lucky to live in this Community of caring!!
Thank you from the bottom of my heart
Keith

I am very humbled and highly honoured to have been nominated for “The Melvin Jones Fellowship Award” by the Waskada Lions Club. This Award was presented to me at the Waskada Lions Club 60th Anniversary on Saturday, March 21, 2026. I very much appreciate the Lions nominating me for this award. Keith and I were in attendance at the Charter Night in 1966 as Keith was a Charter Member. We have great memories of our time spent with the Lions through out those 60 years—great fellowship, fun and sometimes work. The Lions Club is still going today because of the support from the great Community we are part of, and live and serve.....
Thank you so much for this honour bestowed upon me!!
Sincerely
Margie
